Winery of the Month

Bonterra
ORGANIC VINEYARDS

Medocino County

"American Winery of the Year 2016"
#1 Brand of Organically Grown wine!

Bonterra vineyards have been farmed organically since 1987, long before organic products were widely available in America. The inspiration for farming this way was simple: organic grapes produce the purest expressions of the varietals and land on which they are farmed. At Bonterra, we have a deep respect for the environment. Organic farming and regenerative practices enrich the biodiversity in our vineyards year after year.

Bourbon Barrel Aged Zinfandel	\$19.99	\$13.96	\$6.03

1000 Stories begins its aging like most Zinfandels: in wine barrels. Then, the tradition transitions to innovation. Bob selects a combination of new and used bourbon barrels to complete the aging process. Each batch is crafted individually and is unique in its final profile. Aging in bourbon barrels imparts characteristics of charred vanilla and dried herbs.
